

## **ANNOUNCEMENT**

The Management of Rwanda Energy Group (REG) wishes to inform its esteemed customers, that there is a planned maintenance activity on the *Electricity Vending System* on Sunday **16<sup>th</sup> June 2024 from 00:00 midnight till 01:00AM**. During that timeframe of maintenance, the system will not be reachable, and purchase of electricity will not be possible.

Customers using prepaid meters are advised to purchase adequate electricity before the maintenance schedule stated above to avoid any interruptions to their normal operations.

The management of REG regrets any inconvenience caused and appreciates your usual cooperation.
