

## **RECRUITMENT CANCELLATION NOTICE**

Reference is made to the job advertisement for the position of Internal Audit Specialist, published in The New Times on 27th March 2025.

We regret to inform the public that the recruitment process for this position has been cancelled due to a system failure that prevented some applicants from accessing the application link, while others were able to submit theirs. This inconsistency was caused by administrative reasons.

REG would like to inform all interested applicants that the position will be re-advertised in the coming days. We encourage the public to regularly visit our official website at [www.reg.rw](http://www.reg.rw) for updates on this opportunity and other upcoming vacancies.
